

REMARKS**Amendments to the Specification**

Sheet 2 of the drawings has been amended to identify Figure 5A. Figure 4 has been amended to change the detail reference "5" to "5A". Both have been marked with a line to the word RED. No New Matter has been Added.

Your applicant will amend the statement of Figure 1 in the Brief Description of the Drawings in the next paper. The extensive statement for Figure 1 is merely for the purpose of attempting to demonstrate the substance of the Substitute Specification and is recognized to be improper in form.

Amendments to the Claims

Claims 30-42 were Previously Added in the Petition for Revival and Substitute Specification. Claims 30, 31, 32, 33, 34, 35, 37, 40 and 42 are Currently Amended as supplemental amendments preceding examination by the Examining Attorney of the Substitute Specification and associated Amended Claims..

SUMMARY OF AMENDMENTS AND REMARKS

The applicant has submitted Supplemental Amendments supplemental to the Substitute Specification and Petition for Revival submitted March 20, 2003. Accordingly, the applicant has made a good faith attempt to timely amend prior to the initial examination of the Substitute Specification and Claims as submitted March 20, 2003. Your applicant requests the Examiner to accept these supplemental amendments, to return this application to prosecution and to withdraw the said objections and rejections and to allow the claims as set forth, as Previously Added and as Currently Amended.
